
PASTOR'S NOTES – 10. 21. 2018

The Beautiful Jesus I Met on the Way to Golgotha: *II Corinthians 5:16-21*

“...He made the One who did not know sin to be sin for us, so that we might become the righteousness of God in Him...” II Cor. 5:21

OUR VISION FOR ABC:

**TO BE THRIVING MULTIPLYING, JOY-FILLED FOLLOWERS OF CHRIST –
GROWING DEEPER IN OUR UNDERSTANDING OF GOD.**

THE MAIN POINT: The true Beauty of Jesus is not in His aesthetic appearance but in the very personality, grace and active love that sets Him distinctly apart from all others.

SUCH BEAUTY -

THE MODEL OF THRIVING, MULTIPLYING, JOY-FILLED

INTRO: The right guy for the right job.

- Eric before the court.
- Down the dark alley
- a 2a.m. call during suffering

But what if you could find all that in One person?

BEAUTY “... ‘Perfect’ doesn’t cut it...”

(Quotes from *Beautiful Outlaw* by John Eldredge)

Exactly what he needed to be at the exact moment it was needed.

“No one trait outshining any others.” – Eldredge.

NOTES

1. Beauty of His Nature – Knew _____

Sin = _____ from God

Jesus had no _____ of Sin
No connection, acquaintance, feel for...

2. Beauty of His Sacrifice - _____

the absoluteness of this phrase

not taking upon himself simply the multitude of _____(s) but the very embodiment of the _____ of sin – once for all.

3 Beauty of His Purpose and Faithful Action -

“That we would become _____
_____”

“Solely on the basis of _____”
(Oswald Chambers – *Utmost for His Highest*)

NOTES

QUESTIONS TO CONSIDER IN DNA AND IN YOUR OWN STUDY:

1. What traits of Jesus are most beautiful to you today? What is the most astounding aspect of His character to you? Where do you feel yourself being drawn to Him?
2. How do we cope with, witness to or reason with the concept of Heredity of Sin?
3. What did you learn about Jesus through this Scripture ?
4. What steps in discipline could one be challenged with looking at this Scripture as we did today?
